

## European Product

### Maintenance Free

- Voltage: 12V
- CCA: 560 Amp (EN)
- Capacity: 56 Ah@C20
- Weight: 13.5 kg
- BCI Grupo: L1
- Long: 207 mm
- Width: 175 mm
- Height: 190 mm
- Terminal: 1 (post)
- Polarity: 0 (+ right)
- Holddown: B13

### Flooded Technology Acid-Lead

- Performance for standard electrical requirements
- Wide coverage of the automotive fleet
- Maintenance-free with anti-spill cover
- Polypropylene material

### Recommendations

- Check voltage every 6 months. Avoid exposure to sub-zero temperatures.
- Use automatic chargers with constant voltage
- Not applicable to Start-Stop vehicles

### MONBAT PREMIUM DE 56 Ah
